**Wayanad, Kerala- 670645**

[Re-Accredited by NAAC with A Grade (Second Cycle)]

Government College Mananthavady is established in 1981. The College is affiliated to Kannur university. Having completed 35 years of valuable educational service, the college now offers degree programmes in Commerce, English Literature, Development Economics and Electronics and PG programmes in Commerce, Development Economics, English Literature and Electronics. The college, now with 4 major departments stands as an oasis of learning for hundreds of students who come out of economically and socially backward families of Wayanad district, which often suffers the inattentiveness of governance.

The vision of our college is *“Education for total liberation”*. It aims to uplift the students into better individuals and guide them to contribute constructively towards national goals by upholding the values of secularism, national integration and social commitment and to make them intellectually competent, morally upright, psychologically integrated, physically healthy and acceptable to the society. We strive to materialize our vision which has three basic dimensions.

**Academic excellence:** Enabling the students to cope with the demands of the contemporary global scenario through effective transaction of the curricular and co-curricular aspects is the primary objective of the institution. For this purpose, various measures have been taken like regular enrichment of the library, subscription to academic journals and magazines, state of the art classrooms, standard infrastructure and faculty development programmes.

**Personality development:** The College focuses on the all-round development of the students' personality through proper education and exposure. Through the

numerous academic and co-curricular activities organized in the College, student's development leadership skill, team spirit, communication skills and collective responsibility.

**Social orientation:** Education with a social face is the hallmark of this College, and to enhance community participation, the students of the college have adopted a tribal colony-Pathrachal Adivasi colony in Nallurnad village- where we extend our helping hands to the less privileged by educating the tribal dropouts who are denied of the greater privileges of life. The vision, mission and objectives of the college are displayed in noticeable areas in the campus so that the entire student community and faculty members are reminded of the great principles the college stands for. They are also provided to the students through the academic calendar prepared every year so that everyone can know more about the institution and its ideals.

## **PROFESSIONAL ETHICS FOLLOWED BY TEACHERS AND OTHER RESPONSIBLE OFFICIALS**

Teachers are a major influencing factor for students right from the childhood. They, with the help of chalk and board and technology, can help students develop imagination that will help them to paint their own world. Regarded as the noblest profession of all, these educators can lay the foundation of one's life. Apart from imparting academic knowledge, these mentors are also responsible for inculcating invaluable life lessons in their students. The institution has a stated Code of Ethics to check malpractices and plagiarism in Research. The college has free access to 'Turnitin software' available in the university Central Library. The college can submit soft copy of the document to be checked to Kannur University Central Library.

## **PROFESSIONAL RELATIONSHIPS**

Relationships are essential to business and career success. Whether it's your boss, colleagues, mentors, clients or customers, or other people in your professional network, it's important to actively nurture and build these relationships, as they can see you through all stages of success. One challenge of relationship building in the social media era is that our digital connections can feel superficial. To overcome this, we should aim to establish and cultivate deep and truly meaningful relationships with the colleagues. Empathy, Vulnerability, Respect, Real Face Time, A Giving-First Mentality, Unique Perspective, Intent are essential traits of strong and meaningful relationships.
